White House Health Official Makes False Claim About COVID-19 Vaccines

The Latest Tragedy: Sudden Adult Death Syndrome...Joseph Mercola article with 42 sources and references

Molecular biologist: Human genome poisoned by mRNA vaccines can be passed on to future generations

I start by stating again, no healthy child in the US, or Germany, Sweden etc. have died of COVID post COVID infection. Not one!

WARNING: Discussions I had secretly with FDA, NIH, CDC, Moderna & Pfizer official (s) July/Aug 2020 told me that they feared these COVID injections can & WILL kill healthy children; will KILL our kids

DeSantis confirms Florida won't pre-order COVID vaccines for babies

Fauci finally admits there are NO studies that support COVID boosters being effective for kids

FDA approve COVID Vaccine for 6-month-old Babies despite Data proving Vaccinated Children are 30,200%/303x more likely to die than Unvaccinated Children

Pfizer trial data for children under 5 shows covid "vaccines" to be just THREE PERCENT effective at best (and this was probably just a margin of error, making the effectiveness ZERO)

FDA "approves" COVID Vaccine for 6-month-old Babies despite 179K deaths within 60 Days of Vaccination in England alone

FDA and CDC Authorize Moderna and Pfizer COVID Shots for Toddlers — Despite "37-51% Effectiveness Rate" In One Jab. Your Baby Would Need Three!
