## 'R U SERIOUS' NEWS & PROPHECY

### FOOD FOR THOUGHT ...

#### RED HEIFER PROPHECY

**ONE YEAR AGO - AUG 2021** <https://signsofthelastdays.org/5-red-heifers-in-1-year-on-texas-ranch-brings-israels-temple-institute/>

#### CURRENT – SEP 2022

5 Red Heifers Have Been

Delivered...<https://www.israel365news.com/274830/watch-red-heifers-arrive-in-israel/>

#### CURRENT – SEP 2022

[5 Red Heifers and Year 5783? - YouTube](#)

The Temple Institute announced that "5 perfect, unblemished red heifers arrived in Israel from the USA" on September 15, 2022.. Chanan Kupietzky, an Orthodox Jewish teacher, pointed out that last year was 5781 in the Jewish calendar, pointing to the year these red heifers were conceived, 5782 is when they were to arrive in Israel, and that the year beginning sunset September 25, 2022 is supposedly 5783, which is supposed to be the year of red heifer redemption. Is that the correct year anno mundi (year of the earth) or is 5989 to 5992 more in line with history? How close do we seem to be for Daniel 9:27b to be fulfilled?
