April 25, 2019: Biden announces his presidential campaign. 13 days later, Sam Bankman-Fried, son of Barbara Fried (Stanford Professor and co-founder of political fundraising organization “Mind-the-Gap), launches #FTX crypto exchange. The exchange is magically an overnight success. SBF becomes biggest donor to Biden. Election day, FTX implodes completely. If you think this scandal is done, it goes even deeper. **Gabe Bankman-Fried**, brother to Sam (also a former Jane Street trader), is founder of “Guarding Against Pandemics” He was a Legislative Correspondent for the US House of Representatives and an advisor to large political donors in the Democrat party A massive, massive money laundering operation has just been broken open. Our tax dollars went to Ukraine, then much of it came back via crypto straight to DEMS.
