“...with anti-Semitism spiking in the United States, Europe and around the world, we must be careful to learn – or re-learn – the lessons of history regarding how the world failed to understand the threat... and deal with it decisively, before events spin out of control...if we learn nothing else from the history...we had better learn this...Evil, unchecked, is the prelude to genocide.”

COVID & BIOWEAPONS & INVESTIGATIONS

Project Veritas: Pfizer Exploring “Mutating” COVID-19 Virus For New Vaccines.

“I fear people are not fully grasping the magnitude of what is going on here. The Pharma companies are making viruses that they also sell the cure for. This should have every single human on Earth in an uproar. This is the equivalent of Doctors shooting people in the street, so they can make money off of the victims’ medical bills. Except this on a global scale, infected billions, killed millions, and forced/coerced billions to become lab rats so they could profit. Where is the mainstream outrage?”

Fox News Tucker Carlson Thurs. 26 Jan. 2023:

<https://t.me/realKarliBonne/148414> **Pfizer exec admits C19 came from a lab.**

Pfizer is conducting gain of function research creating enhanced pathogens

a.k.a BIOWEAPONS. Pfizer is lying to the public and using wordplay to circumvent the law with “directed evolution.” This is a massive conflict of interest, the Pharma industry creating a “cash cow” by creating viruses.

PROPHECY

[We were warned: Pope Benedict's Death marks 'the end of the times' ..33 minutes](#)

The death of Pope Benedict XVI is shedding new light on the mysterious Garabandal Apparitions...the Virgin Mary's last warning which speaks of the end times...which may be the last warning given during these times – and into the final era of the church...an urgent need for repentance, the coming wrath of God, and the overflowing cup of poison filled by corrupt bishops, priests, and cardinals. The Vanity Fair interview panders to Madonna's alternating pronouns, which further speaks to the clown-like person she has embodied.
