## 'R U SERIOUS' NEWS & PROPHECY

How Many Times Can You Be Lied To When You Don't Know The Truth?

### **FOOD FOR THOUGHT...no time to waste**

#### US Government in Full Scale Implosion Because of Corruption

The federal government corruption was turbocharged in 2019. CAF says, “While everyone was focusing on the teenage sex life of the Supreme Court nominee Kavanaugh, the House, the Senate, the White House, Democrat and Republican, both sides of the aisle got together and approved Statement 56 of the Federal Accounting Standards Advisory Board (FASAB) which said they could keep secret books. **That was everybody—together. So, there is no Right vs Left. There is no Trump vs Biden.** There is a machine in control of a spending machine that is financed with our taxes, and debt borrowed in our name, that is being sold into our pension funds and retirement accounts. . . .
